

SHRINK MACHINES

RapidHS is an innovative fast service program that **GUARANTEES** shipment of machinery within 5 days or less from the date your completed order is received, at no additional charge! Completed orders received before noon include that day as part of Heat Seal's 5 day commitment. So when you want to have your order **SHIPPED IN 5 DAYS OR LESS**, just select from our list of our **RapidHS** program products. The **RapidHS** program includes our most popular Heat Seal and Ampak branded products. The Heat Seal team stands behind the **RapidHS** program and guarantees your machine will ship within 5 days or less. If your machine is late on shipping for any reason we will give you 10% off machine price, no questions asked.

** Standard machine options only. Non standard machine options may extend lead time. Guaranteed 5 day machines that do not ship in 5 days or less for any internal reason will receive a 10% discount on machine price until December 31, 2017. Please contact Heat Seal for more information. **
